

Parents' Pledge of Cooperation

I realize that enrolling my child in Treasure Valley Baptist School (TVBS) is a privilege, not a right. It is my intention to have my child(ren) complete the entire school year.

I understand my responsibilities as the parent of a Christian school student. I pledge to be faithful to the programs, public services, and the financial support of my church. I pledge to be faithful with my financial obligations to TVBS.

I understand that building strong relations with my child's teacher to aid in the training of my child is as much my responsibility as it is the school's. I will therefore pray for the staff and program, I will cooperate with them in discipline, lay a spiritual foundation through a godly example in the home, and follow through with any work assignments or forms to be signed.

I understand that TVBS is a conservative ministry which maintains a distinctive local church-based philosophy of Christian Education. I understand that constructive suggestions are appreciated, while destructive comments or complaining by parents or students will not be tolerated.

I realize that children may occasionally take issue with decisions or policies with which they do not agree or fully understand the rationale or context. I pledge to not accept critical statements and to thoroughly research any questionable incidents by contacting the school.

I will cooperate in the training of my child to respect school property and pay for damage (including breakage, damage of books and instructional materials, etc.) resulting from irregular abuse.

I understand that pictures of my child(ren) may be used for promotional items such as the yearbook, website, and brochures.

I realize the importance of agreeing with this Parents' Pledge. If I ever determine a different direction for my family, I understand I may forfeit the privilege to have my child(ren) enrolled in TVBS.

I pledge to read and abide by the TVBS PARENT/STUDENT HANDBOOK.

It is my intention to abide by the decisions and to support the administration of TVBS. I understand this pledge is an agreement to cooperate.
